Callsen Will Filed For Probate

Most of the estate of Dr. Ferdinand P. Callsen, Redwood City dentist and a longtime member of the San Mateo County Planning Commission, was left to his widow, Mrs. Virginia R. Callsen, it was revealed today with the filing of his will for probate in superior court here.

Value of the estate is unknown. He bequeathed \$100 each to three daughters, Guinevere, Virginia and Phyllis Callsen; a gold watch to a nephew, Eugene Callsen, of Ripon; a silver spoon to another nephew, Ferdinand Callsen of Ripon, and his carpenter tools to a third nephew, Percy H. Callsen, also of Ripon.

The will was dated Feb. 14, 1939. Dr. Callsen died Sept. 6 of this year.

PUBLIC NOTICE

STATEMENT OF THE OWNER-SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933.

OF REDWOOD CITY TIMES-GAZETTE, published weekly at Redwood City, Calif., for October 1, 1943.

STATE OF CALIFORNIA

COUNTY OF SAN MATEO

Before me, a notary public in and for the State and county aforesaid, personally appeared R. L. Spangler, who, having been duly sworn according to law, deposes and says that he is the business manager of the Redwood City Times-Gazette and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, D. E. O'Keefe, Menlo Park, Calif.

Editor, D. E. O'Keefe, Menlo Park, Calif.

Managing Editor, none.

Business Manager, R. L. Spangler, South San Francisco, Calif.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder, the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.)

D. E. O'Keefe, Menlo Park, Calif.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is: (This information is required from daily publications only.)

R. L. SPANGLER.

Sworn to and subscribed before me this 1st day of October, 1943.

L. G. JONES.

Early Roman vessels sometimes carried baskets at the masthead to indicate they were cargo carriers.

The natives of South Africa fall into three main divisions, known respectively as Bushmen, Hottentots and Bantu.

Posthumous Award Goes To R.C. Wife

For gallantry in action which caused his death, Cpl. Fred C. Rasett, whose wife lives at 519 Spruce St., has been awarded posthumously a Silver Star and a Purple Heart medal, it was learned here.

The award was presented to his wife Tuesday by Brig. Gen. Ralph E. Haines, commanding general of the Harbor Defenses of San Francisco, in a simple ceremony at post headquarters of Ft. Winfield Scott.

Corporal Rasett, in the engineers, was killed in Sarona Valley on Alti when Japanese bombers attacked his contingent engaged in laying a land mine field.

His wife and her two children are making their home with her mother, Mrs. Louis Carpenter, on Spruce St.

Rasett, who formerly lived with his family in Duluth, Minn., was inducted into the army more than a year ago. He was sent from Duluth to a camp in Oregon and last fall to Ft. Ord, Calif.

His wife moved to Redwood City about 10 months ago.

Hasset left for Alaska Mar. 15. His wife received only one letter from him on June 15. In the letter, he said he was "feeling fine," but could say nothing of his work. On the same day Mrs. Rasett left California for Duluth to straighten out her personal affairs. A telegram announcing his death came on the day she arrived there. He had been killed May 29.

Mrs. Rasett is working at a shipyard in South San Francisco, learning to be a welder. Her mother takes care of her two daughters, Barbara, 2, and Frances, 1.

Pvt. Conrad Vierth, formerly of Redwood City, was wounded in the same engagement that killed Rasett. Vierth received the Order of the Purple Heart.

New Census Will Boost Gas Funds

Percentage of state gas tax fund credited to Redwood City will be 17.7 greater than last year as a result of the recent special census, City Mgr. Robert W. Mead, said today.

Preliminary census figures, which must be checked by census bureau office in Washington before they are official, showed Redwood City with a population of 14,660, an increase of 2205 or 17.7 per cent over the 1940 census.

Mead said it would be difficult to estimate what the figures would mean in terms of dollars and cents increase, but if the state fund is as great as last year the increase from gas tax fund, license fees and money spend by the state on highways here would be about \$6200.

The gas tax fund, Mead said, may decrease because of rationing restrictions on gasoline sales. Auto license fees may be reduced because the number of cars in operation may fall off.

In any case, however, the allotment will be greater than it would have been under 1940 census figures. "We can't lose,

Firemen Dodge Bullets

MENLO PARK — Menlo Park firemen had to dodge bullets as well as flames Tuesday when they were battling a fire in the home occupied by Mr. and Mrs. L. G. Tegtmeyer, for there were some 32 and 42 caliber shells in the home which went off when they got hot.

The old two-story home which is owned by Karl Rosenfield of San Francisco was set afire when leaking gas in the basement broke into flame. Mr. and Mrs. Tegtmeyer, who were eating lunch, smelled smoke and reported the fire soon after it had started, but it had spread all over the house by the time two trucks from the Menlo Park station reached it. It took firemen only a few minutes to get it under control, but they were on the scene more than three hours before it was safe to leave, according to Chief Thomas Cuff.

whichever way you look it it," Mead said.

The census was permitted under a law passed by the state legislature at the last session. The figures are valid for one year, but observers have said there is a good chance the time period will be extended.

DRIVE: Veterans Conduct Recruiting Drive for WACs

Sponsorship of the "All States WAC recruiting drive" in Redwood City by the members of Veterans of Foreign Wars Auxiliary, Cpl. James F. Lindsay Post 2310, was announced today by Mayor Floyd D. Granger.

Granger appointed Mrs. Ray Bolton chairman of the committee in charge of the project. She will be assisted by Mrs. L. M. Covey, Mrs. Florence Magruder and Mrs. Maude Royle.

Northern California's quota in the drive is 70 members.

In California as in other states the WAC contingent will wear a distinctive shoulder patch insignia to represent its state. Members of the state company

will go through basic training together and the California State (Bear) Flag will be presented to each recruited company by the governor.

The intensive recruiting program to provide California's contingents for the training centers will have for its goal putting California in front in the nationwide effort to bring women into the Woman's Army Corps and release men for combat service, Granger said.

Enlistment of eligible women from 20 to 49 inclusive, not otherwise engaged in activity essential to the war effort, is the aim of the plan.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel mucus laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with an understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

CLICK...and on goes service to our MILLIONTH Electric Customer

When Mr. and Mrs. Jack M. Gill came to San Francisco by way of Utah, New Mexico and Arizona and established a home at 1420 Kirkland Avenue, they became our Millionth Electric Customer. We were happy to be ready and able to serve these newcomers with dependable and economical electricity. But the most pleasing of all was when Mrs. Gill was asked—"Have you received your first month's P. G. and E. electric bill?" And her answer was "Why, yes I have it right here. It is exactly \$3.46. The last place where we lived our bill was always considerably more than that amount, and I am using my same electric range, washing machine and other appliances. I know we are going to like San Francisco."

On the Home Service Front during a five year period of defense preparation and later the all-out production for war, more than 150,000 new electric customers have been connected in service.

On the War Service Front the amount of electric power needed to supply military establishments and war industries alone is equal to TWICE the normal daily requirements of the City and County of San Francisco. And during the past five year defense and war period more than 3500 miles of new power and transmission lines have been erected.

Kilowatt hours to help speed the man-hour production of military supplies is our main job these days. The men in the powerhouses, the men that maintain and build the power lines, the engineers and clerical help—some 12,000 employees of this company—are determined that an adequate power supply shall be maintained. This will be done, even though more than 2300 employees of this company now serve in the armed forces. California and the Nation can depend on that.

WAR COUNCIL: Leaders Again Postpone Redwood City Scrap Collection Campaign

A second postponement of Redwood City's scrap drive to Oct. 31, was recommended and accepted this week at a meeting of the war council here, by Frank A. De Patta, salvage chairman. The postponement was suggested so the drive would not interfere with the Community Chest

campaign which had also been set for Oct. 17, previous date of the scrap drive. De Patta, outlining procedure to be followed, requested the plan of last year be used. Air raid wardens, block matrons, high school students will be asked to co-operate in a one day in-

tensive drive to collect metal scrap from the residents of the community.

In announcing the decision of the war council here, to comply to the fullest extent with Lt. Gen. DeLos Emmons' request to maintain the civilian defense corps substantially as it has

been organized, Mayor Floyd D. Granger said all members of the services would be furnished detailed information regarding their status and the future program of the council.

Chief Air Raid Warden Thorpe, the council's lighting enforcement officer, was instructed to publish a statement explaining the effect of Proclamation 19, issued Oct. 10 by Lt. Gen. Emmons, on dimout regulations in Redwood City.

Representatives of the council will attend a practice drill involving portable radio method of communication, under the direction of John Hecamovich, district radio aide for the War Emergency Radio Service, at the Three Cities Control Center, Tuesday evening.

Bricks and tiles are manufactured in the province of Quebec from clay deposited in an inland sea after the Ice Age.

Druggist Sells New Veterinary Line

Lock Drug Store, popular Redwood City, Calif., druggists at 2432 Broadway, announces a new valuable service to farmers and stockmen of this county. This store, for the first time, has established a department for the sale of veterinary biologicals and pharmaceuticals made by the Lederle Laboratories.

I OFTEN wonder how many of us realize the vast quantities of good food we normally throw away each day. Yes, it's literally so: most of us waste enough in a month to feed our families for days!

Wartime conditions make it more necessary than ever, of course, that each of us cut food waste to an absolute minimum. We all know that, in a practical sense, it's impossible to avoid having some leftovers. But they can be used, tastefully! Meats, macaroni products, gelatin and desserts stand up well as leftovers, and many times they can be dressed up in casseroles, soups, and similar dishes, with fresh vegetables added to give new nutritional strength. Tomatoes, green peppers, lemon juice or parsley work wonders with leftover flavors and add good vitamins. And onions add perkiness!

On the whole subject of wasted food, here's a check list that has a practical value:

Here's a Quiz for YOU on Kitchen Economy

Do you cook meats carefully, to avoid shrinkage and to avoid burning the fat? **Yes** ☐ **No** ☐

Do you strain the fat from your meat cooking, and use it whenever you can in place of shortening? **Yes** ☐ **No** ☐

Do you regularly take used fats to your meat man, so they can be turned into ammunition? **Yes** ☐ **No** ☐

Do you use vegetable "cooking water" in soups and sauces? **Yes** ☐ **No** ☐

Do you take leftover meats and vegetables and turn them into savory stews, salads, etc.? **Yes** ☐ **No** ☐

Do you plan the exact amounts of food you'll need, and buy them accurately? **Yes** ☐ **No** ☐

Do you put fresh vegetables away so they'll stay fresh and nutritious? **Yes** ☐ **No** ☐

Do you use all of each slice of bread (leftover toast and crusts are fine for crumbs)? **Yes** ☐ **No** ☐

When fresh fruits and vegetables must be peeled, do you pare them carefully to save vitamins? **Yes** ☐ **No** ☐

Do you avoid serving each member of your family more than he can comfortably eat? **Yes** ☐ **No** ☐

Do you make sure, each day, that your garbage pail is not sabotaging your food plan? **Yes** ☐ **No** ☐

If your answer is "Yes!" to each of these questions, you're all right! If not, my suggestion would be: start today to look for food waste in your kitchen!

Berliner Issues Warning

An appeal was made today by collector of Internal Revenue Harold A. Berliner, to all Northern California Employers urging them to refrain from issuing Form W-2 with every employee's pay check.

"Many employers," the collector said, "are issuing Form W-2 with pay checks. This is in error. Form W-2 provided by the treasury department should only be given employees at the end of the year, or when the employee quits or is dismissed from service."

Form W-2 is a statement to be given employees showing the amounts withheld from wages for federal income tax payments, and is to be retained by the employee and used as a reference in preparing his income tax return according to Collector Berliner. The original supply of 3,000,000 Form W-2's is exhausted. Additional forms are being shipped from Washington.

The United States Army jeep costs approximately \$800. Its fuel tank holds 15 gallons and it makes 16 miles to the gallon.

New Recipe for Fall Menus

HERE'S a "different" dish for either lunch or dinner menus. Corn and Bacon Rings are delicious to eat and add a colorful note on the table. A cup and a half of glassed whole kernel corn will serve six in this recipe.

6 slices bacon	1/2 teaspoon salt
2 eggs	Pepper to taste
1 1/2 cups glassed whole kernel corn	1/4 teaspoon baking powder
2 tablespoons enriched flour	1/2 cup milk

Line muffin tins or custard cups with sliced bacon. Snip edges with kitchen shears to prevent curling. Beat eggs slightly, and add well drained corn. Sift flour, salt, pepper and baking powder together and add to corn. Stir in milk. Fill bacon rings with this mixture. Bake in a moderate oven (350 deg. F.) 35 to 40 minutes or until firm. Unmold and serve at once.

Carpenters Indorse War Chest

U. S. Simonds, business representative of San Mateo Carpenter's Union 162, announced today that the organization had indorsed the San Mateo County War Chest Inc. at a recent meeting called especially for that purpose.

At the meeting the union pledged its membership to contribute one hour's pay per month for the next 12 months on the basis of two-thirds of the money going to the County War Chest and a third to the Red Cross.

Action taken by the Carpenter's Union marks the first labor organization so pledging itself to the War Chest drive for funds, although the War Chest has been indorsed by the Central Labor Council and the San Mateo Building Trades Council. Other

County Receives 150,000 Ration Books

Miss Pansy J. Abbott, superintendent of schools of San Mateo County, today announced she has received 150,000 copies of War Ration Book 4, to be distributed from the county's schools. This is an increase of 15 per cent over the number of Book 3 copies received here, she said. Registration for Book 4 will get under way Oct. 19.

labor union organizations have signified their intention of following the lead of the carpenter's union.

The War Chest drive for funds lasts for two weeks starting Oct. 18. Contributions to the cause go toward the San Mateo County Blood Bank, San Mateo County Preventorium, Boy Scouts of America, Girl Scouts Inc., YMCA, San Mateo County Catholic Charities and 17 war relief agencies among which are the USO, American Prisoner's Aid and similar bodies.

Vaudeville Show Nets More Than \$300

SAN CARLOS—More than \$300 was taken in at the vaudeville show given last Friday and Saturday nights by the San Carlos Players and sponsored by the Community Club for the Hospital House, Mrs. W. H. Penat, house committee member, announced today.

The lump sum will be turned over to the house to help defray expenses of operation until Nov.

1, when the committee will be advised whether or not the house has been accepted for national USO funds, application for which was made last week.

There are no railroads in Afghanistan.

MR. AND MRS. REDWOOD CITY:

Navy Yards Need Additional Men

Chester Fox, Redwood City civil service representative, said today:

"The builders and repairers of American and Allied ships and submarines are in top priority jobs. But from over the nation more men must be recruited for the Mare Island Navy Yard—and for the U. S. Naval Dry Docks, Hunter's Point, San Francisco. Travel expenses for men to either of these vital naval centers will be paid by the Navy Department. Noncombatant civilians can get into the fray as journeymen, helpers or as laborers. Minimum age is 16 years for workers. 'In Service' Training Schools help workers to attain higher skills in the shortest possible time.

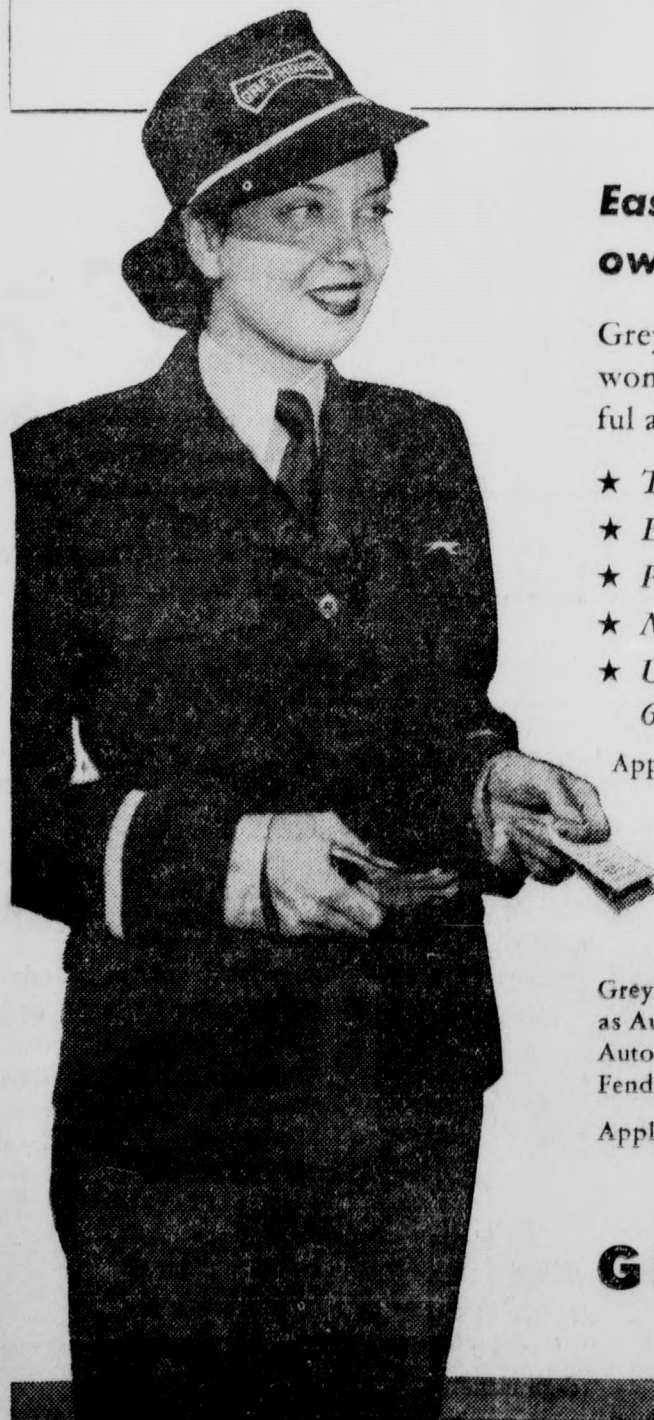

"Housing accommodations will be reserved in advance for new workers. Day by day check will be made on available housing units.

"Apply directly to the labor boards at Hunter's Point or Mare Island or visit any U. S. Civil Service office or first or second class post office.

"Appointments are subject to War Manpower Commission regulations."

Draft Board Reassures R.C. Fathers

Fathers under the jurisdiction of Redwood City-San Carlos-Belmont Selective Service Board 106 do not have to worry about being drafted for another month or six weeks, Chmn. Arthur V. Swift declared today, and they will not be taken then until the shipyards have been "cleaned out" of non-essential fatherless and single men, if the board has its way.

Swift said it was hard to say just when fathers would have to be drafted here but said the local board is "pretty well fixed" with available men.

Meantime, San Francisco board members have promised a "revolt" over the prospect of induction of pre-Pearl Harbor fathers. They said they "absolutely won't draft fathers" until Bay Area shipyards are forced to clean out hundreds of young, non-essential, draft eligible workmen.

The board members termed the deferment of these men as "ridiculous."

The board members charged that deferment privileges are being greatly abused. They declared that favoritism was being shown by shipyard heads who make recommendations as to employees' draft status.

Swift said the local board agreed with the San Francisco sentiments.

Grand Jury Indicts George Hein

George Norton Hein Jr., 31, 1600 Laurel Ave., San Carlos, late Tuesday was indicted by the federal grand jury in San Francisco for failure to report to his draft board at Redwood City for induction on Sept. 18.

Hein, a member of the Jehovah's Witness sect, had notified Redwood City-San Carlos-Belmont Selective Service Board 106 that he was not going to show up on that date, on the grounds of conscientious objections.

He was given five days after his scheduled induction date to report, with the warning that failure to report on or before that date would call for a fine or imprisonment, or both.

WPB To Conduct Merchant Meetings

To obtain information on the present and future needs of California merchants, members of the War Production Board will hold meetings in Los Angeles and Sacramento with retail and wholesale merchants, E. W. (Ned) Butler, chamber of commerce manager here, said today.

The meetings will be in the form of interviews with individual merchants and WPB officials will endeavor to find out whether or not merchants are getting their share of the goods being produced.

Los Angeles meetings are set for Oct. 15, 16 and 18. The officials will be in Sacramento Oct. 20, 21 and 22. Merchants desiring further information on the interviews are asked to see Butler.

Hospital Opening Not Set

Col. William H. Allen, in charge of the Dibble Hospital on Middlefield Rd. told members of the Army and Navy Central Service Council meeting in Menlo Park Tuesday that date of the hospital's opening is as yet uncertain. "It all depends on the completion of the construction work and the matter of obtaining personnel."

The service council, organized to meet problems in housing and recreation and family problems that may arise with the opening of the hospital, is composed of representative groups from Palo Alto and San Mateo County and will work with Colonel Allen through the American Red Cross unit stationed at the hospital.

Colonel Allen said he felt the work of the civilian council would prevent duplication and keep many persons from working at cross purposes.

Mrs. Carmelita Benson, acting chairman of the Palo Alto American Woman's Voluntary Services reported the Palo Alto branch of the San Mateo County War Housing center, recently organized by Louis Lengfeld, manager of the San Mateo center, was now functioning. The office, at 464 University Ave., will be open from 9 a.m. to 5 p.m. six days a week.

The office is sponsored by the AWVS and manned by volunteers.

Mayor A. H. Sagehorn of San Carlos was introduced as a new member of the executive board. He will represent the San Carlos area.

Representatives from the Palo Alto Red Cross attending the council meeting were Robert L. Cody, chairman; Miss Gertrude Van Bergen, executive secretary; Mrs. R. L. Cody, chairman of home service and Mrs. Gracie Decius, chairman of camp and hospital council. Miss Mary Anaya was present as a representative of the Palo Alto Chamber of Commerce.

The council agreed to concentrate on housing, as the most important problem for the present.

Organizations interested in hospital projects were invited to come before the council to express their ideas and avoid duplication of effort.

E. W. (Ned) Butler, manager of the Redwood City Chamber of Commerce, which initiated the move to organize the council, reported several contributions received from various groups. The money will be placed in a fund to carry on administrative expenses in connection with the council.

53 Servicemen Attend Picnic

Fifty-three servicemen from the War Dog Training Center at San Carlos were entertained at a basket picnic Sunday by members of the Redwood City Junior Chamber of Commerce at the Prentiss Cobb Hale Estate in Woodside.

The Redwood City USO provided 51 hostesses for the picnic. Each hostess took with her a basket lunch large enough for herself and one serviceman.

Junior chamber members directed activities which included baseball, horseshoes and dancing. The picnic started at 12 noon and ended at 5:30 p.m. Transportation for the hostesses was furnished by the Redwood City Bus Line.

Thrifty American shoppers are doing more and more of their buying at **WARDS**

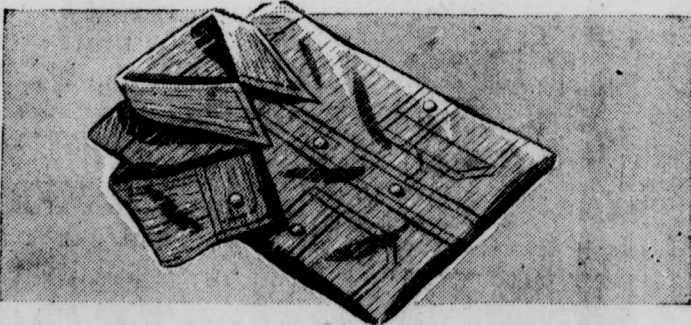

SPECIAL! POPLIN JACKETS WITH BUTTON-OUT LINING 7.35

Men! Here's a jacket you can wear in all kinds of weather! Rain can't harm it—the poplin is *Zelan-treated*—making it water-repellent! Cold?
